PRS Ref.	Post-results service	Details of the service
R2P	Priority Review of marking	This is the same service as review of marking, but the original marking is reviewed as a priority, therefore a request for this service must be submitted to the earlier deadline. (This service is only available for GCE A-level and Level 3 VTQ qualifications)
R2	Review of marking	This is a post-results review of the original marking to ensure that the mark scheme has been applied correctly... Reviewers will not re-mark the script. They will only act to correct any errors identified in the original marking.
R1	Clerical re-check	This service will include the following checks: that all parts of the script have been marked; the totalling of marks; the recording of marks.
A1	Copy of script to support review of marking	This is a priority service to ensure copies of marked scripts are provided in sufficient time to allow decisions to be made whether a review of marking or clerical re-check should be requested.
A2	Copy of script to support teaching and learning	This is a non-priority service to request copies of marked scripts to support teaching and learning.
