

Cummins Engineering Club

11th September 2023

Learning Without Limits

Dear parent/carer,

We have an exciting opportunity for some of our Year 10 female/non-binary students to take part in our exclusive 'Engineering Club' project with Cummins Power Systems in Daventry. We ran a very successful pilot scheme last year and are pleased to be able to offer it to the next cohort.

The project will involve our students working with engineering placement students at the Daventry plant on mini projects. Students will have a full tour of the facility and find out about the range of roles they could pursue in the field of Engineering. They will also have the opportunity to share what they learn via both Cummins' and the school's social media and reporting. **Nationally, over 80% of the engineering workforce is male, and we want to inspire change. Could you be a part of it?**

There are a total of 12 places available; made up of two rounds of 6 students in 4 sessions:

Round 1	Round 2
4 th October	12 th February
31 st October	12 th March
27 th November	17 th April
14 th December	9 th May

This project is being run by Amanda Wisbey (European Women's Empowerment Network Leader) and Tom McGibbon (Engineering Director) for Cummins and Miss Hunt (Director of Careers) for Guilsborough.

If your child would like to take part in this fantastic opportunity, please complete the form overleaf and return it to the Careers Hub (A1) by **Friday 22nd September**. Students should also complete the attached application form, which will be used in the event that we are oversubscribed and have to shortlist candidates. You will be notified after this date of whether your child has a place, and in which round.

If you have any questions, please contact me via hunt@guilsborough.northants.sch.uk.

Kind regards,

Miss P. Hunt
Director of Careers
Guilsborough Academy

Behaviour Contract

- School rules apply whilst on school trips, it is also expected that students use common sense at all times.
- Behaviour and personal conduct must be of a high standard at all times to ensure the health and safety of all involved.
- Language in public places and group situations must always be appropriate and socially acceptable.
- It is the student's responsibility to use a seat belt whilst travelling on the coach.
- Alcohol is strictly forbidden during all trips and expeditions.
- Smoking and the use of drugs or similar substances is strictly prohibited at any time during the trip.
- In the event of totally unacceptable behaviour prior to the trip, students may not be allowed to take part.
- Anti-social behaviour is not acceptable at any time.
- Breaches in the Behaviour Contract may result in parents being called to pick up the student.

I hereby agree to the conditions of the behaviour contract:
