Guiltsborough Multi Academy Trust

OUR VISION 2021-2022

Our community is predicated on mutual **respect** through tolerance, trust and honesty. We have high **aspirations** for all and develop resilience to overcome any obstacles which might stand in our way.

We take **responsibility** for our actions to ensure we are working positively together. We appreciate others by the strength of character they show and seek **equality** for all.

RESPECT | ASPIRATIONS | RESPONSIBILITY | EQUALITY

At Guilsborough Academy, we strive to provide an engaging and supportive school culture based upon four key values:

- **Respect**
- **Aspiration**
- **Responsibility**
- **Equality**

Each of these contributes to our ethos of '*Learning Without Limits*'.

We state our goal without hesitation – simply to provide an outstanding education for our students delivering the very best in teaching, learning and leadership.

To this end, we are constantly seeking to raise standards, improve the quality of our provision, and enable students to 'Learn Without Limits'. We use our freedoms as an academy, our partnership work with local secondary and primary partners, as well as regional and national partnerships to deliver the best for each individual. Our PSHE and assembly programme supports the development and delivery of our values.

A focus on the school's vision of its future:

- To provide a personalised learning curriculum offering a range of pathways to maximise the potential of all students.
- To put students at the centre of their own learning, enabling them to have a strong voice and become effective independent learners.
- To ensure students reach their full potential, using assessment for learning effectively to ensure appropriate targets, tracking, support, intervention and guidance is in place.
- To develop the school's capacity to be a centre of learning excellence for all, building effective professional development and training capacity.

The school's professional development and partnership work underpins all areas of development within the school; from a focus on raising standards and using innovative teaching and learning styles, through to the effective use of technology to support monitoring, reporting, assessment, and behaviour systems.

Learning Without Limits

Respect

We respect ourselves and others by the actions we take and the responses we make. We take pride in ourselves, our appearance and our work. The Academy is a welcoming and positive place where we work together for success. We celebrate achievements and value everybody. It matters that we are approachable, honest, thoughtful, polite and considerate.

Aspiration

We aim high by setting ourselves challenging goals and having the highest expectations of ourselves and others. We achieve this through forward planning, hard work, self-motivation, and perseverance. In empowering and inspiring others, we become a stronger team, able to achieve more than we realised possible. When encountering obstacles, we show resilience, strength of character and determination in order to achieve our ambitions. Through this we grow and flourish into confident individuals, which allows us to achieve our dreams and aspirations.

Responsibility

We take ownership for our actions. We encourage an ethos of mutual responsibility whereby every member of our learning community supports each other.

Equality

We value the opinions of all others in our community. We actively celebrate diversity and the contributions we all make to our society. We are committed to equal opportunities for all. We want Guilsborough Academy to be a place where all people thrive - physically, mentally, socially, spiritually and economically.
