

9th February 2024

Cummins x Guilsborough Academy: International Data Centre Day

Dear parent/carer,

We have an exciting opportunity for some of our Year 7 students to take part in a workshop delivered by Cummins to celebrate International Data Centre Day. The workshop will be interactive and fun, aiming to educate students about the importance of data centres, and inspire them with regards to careers relating to the field. It will take place during Period 4 on Monday 4th March.

The event will be recorded and photographed, and the content used by both Cummins and Guilsborough Academy in promotional materials to celebrate IDCD on 20th March.

If your child would like to take part in this fantastic opportunity, please complete this form: <https://forms.office.com/e/FRYyK2yGCy> by **9am Friday 16th February**. In the event that we are oversubscribed, places will be allocated by random ballot and you will be informed after the closing date whether your child has a place. NB you will also be asked to sign a media consent form for Cummins at this stage.

If you have any questions, please contact me via hunt@guilsborough.northants.sch.uk.

Kind regards,

Miss P. Hunt
Director of Careers
Guilsborough Academy
