PRS Ref.	Post-results service	Details of the service
<b>R2P</b>	<b>Priority Review of marking</b>	This is the same service as review of marking, but the original marking is reviewed as a priority, therefore a request for this service must be submitted to the earlier deadline. (This service is only available for GCE A-level and Level 3 VTQ qualifications)
<b>R2</b>	<b>Review of marking</b>	This is a post-results review of the original marking to ensure that the mark scheme has been applied correctly. Reviewers <b>will not</b> re-mark the script. They will only act to correct any errors identified in the original marking.
<b>R1</b>	<b>Clerical re-check</b>	This service will include the following checks: that all parts of the script have been marked; the totalling of marks; the recording of marks.
<b>A1</b>	<b>Copy of script to support review of marking</b>	This is a priority service to ensure copies of marked scripts are provided in sufficient time to allow decisions to be made whether a review of marking or clerical re-check should be requested.
<b>A2</b>	<b>Copy of script to support teaching and learning</b>	This is a non-priority service to request copies of marked scripts to support teaching and learning.
