Dear Parent/Carer

For over a year now at Guilsborough, we have been using an online reporting system called 'GO 4 Schools' to provide real-time information to parents. This will provide access to assessment information, and over the coming months will also contain detailed information relating to attendance and behaviour. This system will work alongside Edulink which will continue to be our package for checking students homework set and deadlines.

Reports will include a target flightpath, the number in brackets denoting the grade band this student should be achieving as a minimum at the end of year 11, and a teacher forecast based on the grade band they are on track to achieve. This is based on current performance. We also include an 'attitude to learning' grade which gives an indication of their general behaviour and engagement in each course based on a 1-4 score every student is allocated for every lesson at Guilsborough. '1' being an excellent attitude to learning. More information will follow on how parents can access these scores on a daily basis

Using GO 4 Schools, you will be able to view your child's progress online and access the following information at any time:

- **Real-time attainment information** – marks and target grades for all subjects throughout the year
- **Timetable** – Your child's daily and weekly timetable
- **Progress Reports** – published 3 times a year

Your child's page is constantly updated, providing you with the latest information.

To access the site, please go to [www.go4schools.com](http://www.go4schools.com) and click on login and choose Parents Login at the top of the main page to arrive at the log-in screen. Please note, **the email address you use to enter the site must be the one we have contacted you on today.** At present we have not subscribed to mobile parent app, this is something we may look into in the future.

For student access, please go to [www.go4schools.com](http://www.go4schools.com) and click on the Students icon at the top of the main page to arrive at the log-in screen. Their school email address needs to be used to access the site.

If you would like to change this email address please contact us on [info@guilsborough.northants.sch.uk](mailto:info@guilsborough.northants.sch.uk)

Please note, the screen shots which follow are from Go4Schools Demo site and therefore is all example data.

Yours faithfully

To request a password for GO 4 Schools, please click on the 'First-time User' link shown below.

Then enter your email address into the First-time User 'Email address' field and click 'New password'. A randomised password will then be generated and sent to your email address.

You will then be able to log into the site using your email and generated password then view your child's page using the parent and guardian login page, shown below.

## Once logged in, what will you see?

### Parent home view

When you log in you will see names of your children that attend the school.

**N.B** We have not turned on the My inbox function yet so this will not display.
