

17 December 2021

Dear Parents/Carers

As well as my message in the end of term Newsletter, I wanted to write to you and share my hope that you all have a most wonderful Christmas. Christmas in my family has always been a time for getting together and enjoying the company of family and friends. This year will, undoubtedly, be better than last year for many of us when we had to again restrict our social groups.

I would like to thank you again for the support you have shown Guilsborough Academy. By working together we can continue to ensure each and every student receives the very best education possible. However, I do have one request. When Santa arrives on Christmas morning, it would be great if he can ensure that all our students receive a pencil case full of the equipment they need for school. I visited three classrooms this morning, one in Year 9, one in Year 10 and one in Year 11, and the majority of students did not have the basic equipment they need to make the most of their learning opportunities. I would also encourage you to place a book in their stocking so we can work together to develop a lifelong enjoyment of reading.

This week we have been handing out testing kits to all our students. I encourage the use of these throughout the holidays, as per the guidance we have already shared. If you missed details of our staggered start in the New Year, these have now been added to our website.

I look forward to welcoming all our students and staff back in the New Year. I wish everyone a safe, and happy Christmas.

Best wishes

Mr S Frazer  
Principal
