

## Creative Textiles Y12 Transition Work for 2023

### Research for project 1.

- Research the traditional colours and patterns of two different cultures. Produce an A3 inspiration board in colour for each.
- From each board produce 2 pages of sketches which highlight elements of the patterning – draw initially in pencil and then ink in at least 50% of the patterns.

Purchase an A3 sketchbook. Summer work maybe produced in the A3 sketchbook.
