

5 September 2023

Dear Parent/Carer

To provide you with live information about your child's behaviour, academic progress, homework and overall attendance we use a system known as Go4Schools. It is a web-based platform that will give you all the necessary information about how your child is doing at Guilsborough Academy.

You are also able to update consents for a variety of different areas and can contact us through this if you have changed any contact details. This can be done online at your own convenience. There is also an app that gives a basic overview of what is happening at school.

As we begin a new school year, it is crucial that parents and students have logged into the system and set up their accounts. You can, through the settings area, arrange to receive weekly email updates on behaviour and attendance to help you to support your young person. A quick look at the App will allow you to see what homework has been completed, what is yet to be done and when it is due. You can also see the positive and negative points within our new rewards scheme.

The attached document explains how to log in to Go4Schools and access all the available sections. As we progress through the term, we will provide more information on getting the most out of the system. For those of you who already have children at the school, Go4Schools will be the only system that you will need on a regular basis and we will be sharing this with the students over the coming days.

Canteen Access

On the Student Page there is an  under your child's name, this gives you access to further information. Click on this to see your child's **lunch pin number** for our new catering system. Your son/daughter will require this initially to pay for their food in the canteen. As we roll out the biometric system, you may choose for them to use their fingerprint instead. We are intending getting this up and running as soon as possible. If you have not already given consent you can do so [here](#). If you have any questions or concerns, please do contact us at info@guilsborough.northants.sch.uk

Yours faithfully

Mr C Hancock
Vice Principal - Quality of Education
