At Guilsborough Academy we place an emphasis on pride in our community. As an academy we have high expectations of students, and believe that the uniform worn by students is a visible and public expression of the ethos of the academy. We expect all students to wear full Guilsborough Academy uniform, in school or school transport and when representing the academy at other events.

The Principles

- Standard uniform enables students to look smart and tidy and take on whole academy identity.
- Uniform plays an important part in the overall ethos of the academy.
- Support from the Trustee’s Hardship Fund can be provided in cases of financial difficulties. Parents are asked to email the Principal’s PA at principalpa@guilsborough.northants.sch.uk. All such enquiries will be treated in strict confidence.
- We offer a pre-loved uniform service at Guilsborough, this is on a first come first served basis and dependant on what items we have available. Parents are asked to email info@guilsborough.northants.sch.uk
- All students in years 7 to 11 are required to wear the specified uniform.
- Sixth formers are required to dress smartly and follow the sixth form dress code
- Sanctions will be considered for students consistently not wearing the correct uniform and parents/carers will be involved.

Responsibilities

- The Principal is responsible for ratifying the policy. Significant changes to the policy are completed in consultation with parents/carers, students, staff and Trustees.
- Trustees note the policy annually.
- The Principal and all staff are responsible for ensuring that students adhere to the uniform code – the Form tutor plays a particularly important role.
- Parent/Carers are responsible for supporting the academy in implementing the uniform policy, as set out in the home academy agreement which Parent/carers and students sign before their child joins the academy.
- Parent/Carers are advised to label their child's possessions so that they can easily be identified and returned.
