

Student Friendly Online Safety Document

This child friendly e-safety policy has been developed in collaboration with our Student Voice with the aim to keep children safe when using the internet at home and at school.

Why do we like the internet?

- It is interesting and fun.
- We can learn a lot from the internet.
- We use it for our schoolwork.
- Keep in contact with our friends and family.

What is Online Safety?

- To keep you safe when using online platforms so you can enjoy, explore, and have fun.

What are the dangers of children going online?

- Cyber bullying - nasty text messages, emails, group chats.
- People on the internet can pretend that they are someone else.
- People could ask you for personal information, which is dangerous.
- Not everybody on the internet is kind.

Why do we need an e-safety policy?

- To keep children safe whilst also having fun using the internet at home and at school.
- To make sure you know what to do if something on the internet makes you worried.

How does Guilsborough Academy keep students safe when they use the internet at school?

- The school maintain anti-virus software to keep viruses away.
- We have internet monitoring and filtering software to keep us from seeing inappropriate content.
- The schools keeps laptops and Wi-Fi access secure.
- Regular Life Skills, Personal Development and Assembly reminders about social media use.

If you have a problem when you are online what should you do?

- Keep calm and try and ignore the person.
- Block and report anyone that is being unkind.
- Check your privacy settings.
- Report anything that worries you to an adult.
- Keep all messages as evidence.

What should you not do?

- Do not keep worries to yourself.

- Do not respond back and be unkind to anybody.

Who can you tell if you are worried about yourself or someone else?

- Friends.
- Family.
- Teachers, Tutor, Head of Year, Assistant Head of Year, the Safeguarding Team.
- Email - ithinkyoushouldknow@guiltsborough.northants.sch.uk

What our school does to respond to Online Safety Issues?

- We take online safety matters seriously.
- We listen to the students involved and offer support.
- We investigate and look at evidence and give sanctions.
- We may contact parents/carers.
- We encourage students to block and report.

Our Internet Rules:

- We never share our passwords or personal information with anyone else.
- We need to tell an adult if we see or hear something that makes us upset or worried.
- We will never send anything that could be unpleasant or nasty.
- When we send emails or use social media apps, we are polite and friendly.
- We will have more conversations with our parents/carers about what we are doing online and do our best to spend less time on our phones.

How should we act on the Internet?

S - Keep your personal information SAFE and Secure

M - Do not agree to meet anyone from the Internet: they may not be who they say they are

A - Do not ACCEPT messages or emails from somebody you don't know

R - Remember, do not always trust the information you find on the Internet: it may not be correct

T - If something or someone upsets you on the Internet TELL a trusted adult in school or at home.
